LINKARIS

OEM BUYER GUIDE
18 NOVEMBER 2026

# RF Power Amplifier Supply & Support

Ordering, pre-shipment checks and warranty support for OEM buyers.

**MINIMUM ORDER QUANTITY**

## 1 unit

Single-unit sample orders available.

**SAMPLE LEAD TIME**

## Approx. 7 days

Typical estimate. Confirm when requesting a quotation.

**WARRANTY**

## One year

Repair or replacement for confirmed quality issues attributable to Linkaris.

### 01 Ordering and lead times

Sample and production lead times are confirmed at quotation based on the requested model and order quantity.

### 02 Pre-shipment quality control

We apply quality assurance and quality control throughout production. Before dispatch, we provide full testing and packing videos for your shipment.

### 03 Incoming inspection support

If you report an issue during incoming inspection, we review your test setup and procedure to establish the cause and determine the next steps.

### 04 Warranty and corrective action

For a confirmed product quality issue attributable to Linkaris, we repair or replace the unit under our one-year warranty. If we arrange a replacement, we provide the unit at no charge and cover replacement freight.

### Request a sample or quotation

Include the model reference or operating band, required output and quantity.
